

おなまえ

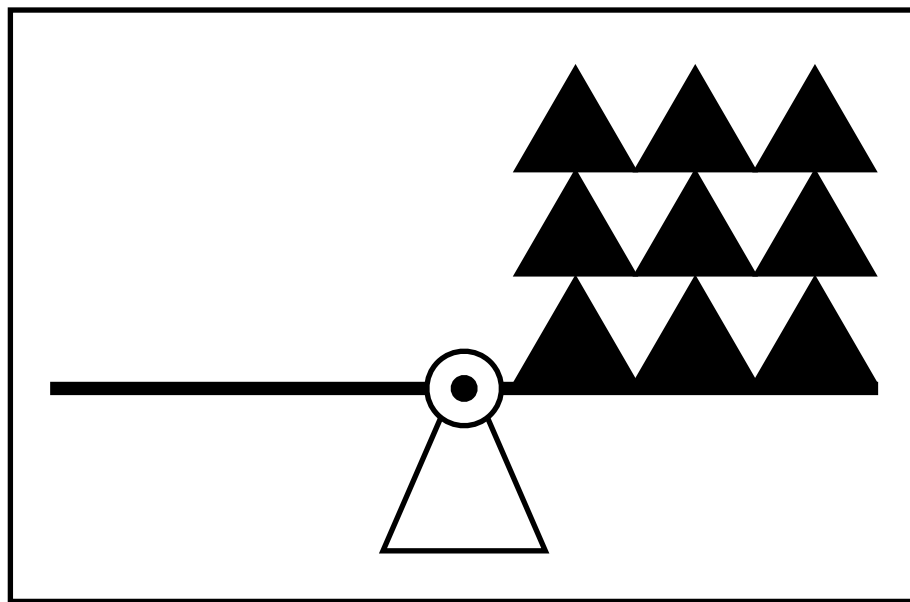

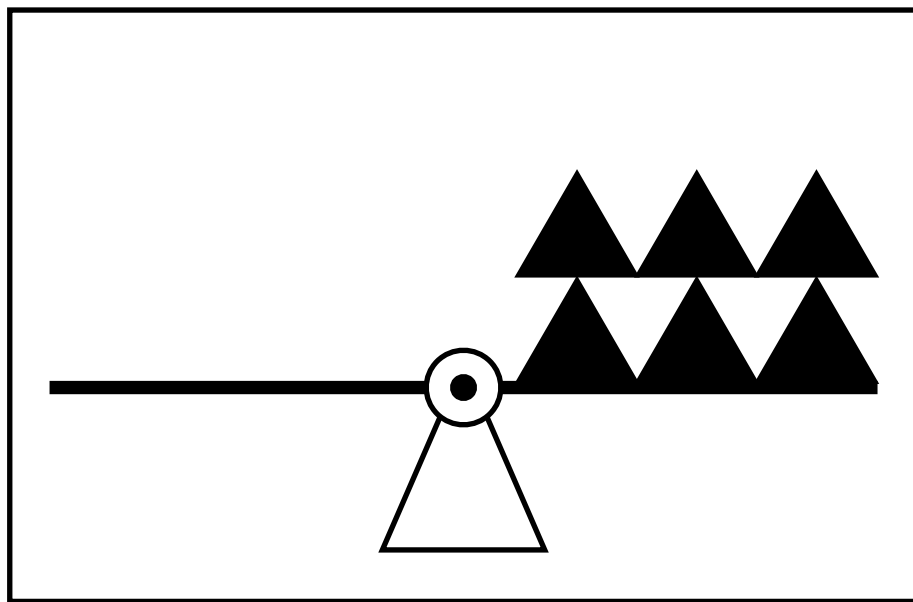

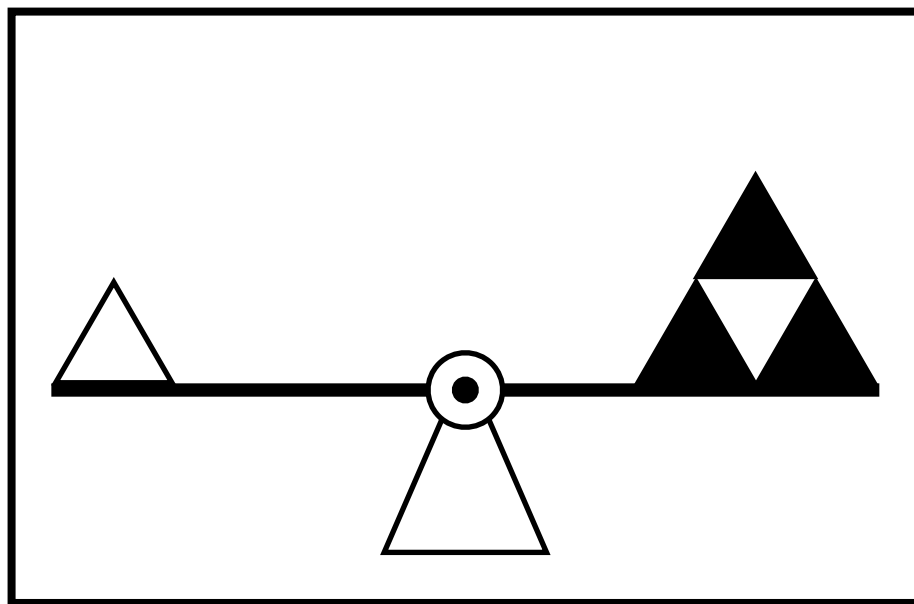

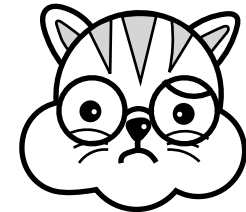

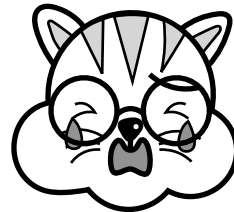

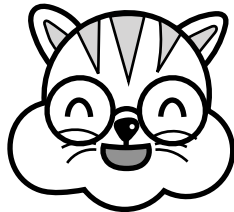

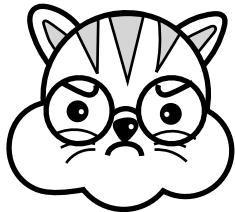

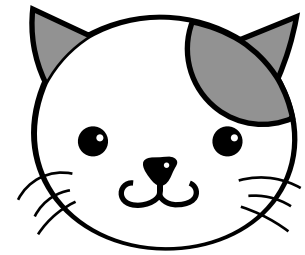

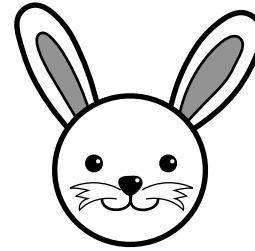

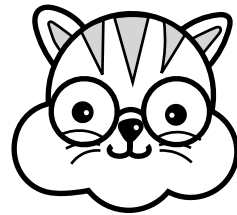

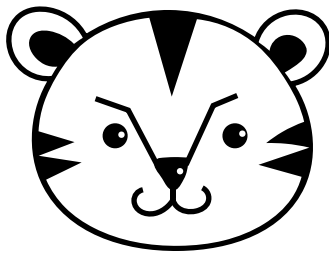

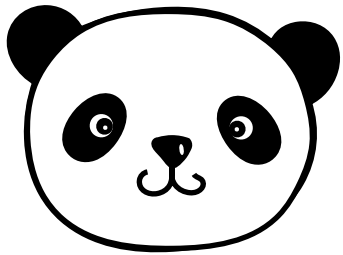

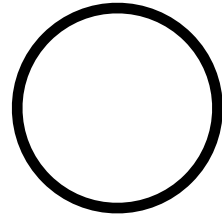

The image contains a visual discrimination task. At the top, there are two rows of shapes. The first row consists of a star inside a rounded rectangle, a double-headed arrow, and two hearts inside circles. The second row consists of a diamond inside a rounded rectangle, a double-headed arrow, and three hearts inside circles. Below these are two horizontal boxes. The first box contains a star in a rounded rectangle and a diamond in a rounded rectangle, followed by an empty space. The second box contains a star in a rounded rectangle, a diamond in a rounded rectangle, and another diamond in a rounded rectangle, followed by an empty space.
