The image shows a large rectangular frame with a thick black border. Inside this frame, there are six horizontal bars of varying lengths, arranged vertically. Each bar is a simple rectangle with a thin black outline and is currently empty. The bars are positioned at approximately the following vertical intervals from top to bottom: 15%, 28%, 41%, 54%, 67%, and 80% of the frame's height. The lengths of the bars vary, with the second and sixth bars being the longest, and the third bar being the shortest.
